Testimonials

VisitAberdeenshire and Mackie's of Scotland share a joint enthusiasm for the region we call home and were delighted with the response to our two exciting, feel good campaigns in 2019. Together we came up with content designed to promote Aberdeenshire's brilliant offering – from castles to chocolate! We achieved great results, increasing awareness of the Aberdeenshire region and Mackie's of Scotland brand along with a positive emotional response and desire to act – to visit Aberdeenshire or try our products. We hugely enjoyed working together to successfully promote Aberdeen and Aberdeenshire's food sector.

Karin Hayhow,
Marketing Director, Mackie's of Scotland

The social media advertising package was a great success, significantly boosting followers on our new Instagram page and Facebook.
